JETIX

Based on the Hans-Christian Anderson classic, Adventures Of The Little Mermaid is the perfect addition to any children's collection. This richly animated series tells the story of the Little Mermaid and her handsome Prince as they travel through their wondrous worlds above and below the sea.

Seeking only happiness and the magic that allows them to live in the same world, the Little Mermaid and the Prince must battle the powers of the evil sea witch, who tries again and again to keep them separated forever. With the help of a kind wizard, who has the amphibian ability to exist under the water as well as on dry land, the innocent pair are able to live in each other's world for limited periods of time. In each episode, we follow the Little Mermaid and the Prince through tales of adventure and danger as their love grows stronger.
